

MWL FAQs: Every answer you're looking for, except "When will I go?"

What is mywonderfullife.com?

MyWonderfulLife.com is a website that lets you plan your funeral, your way. From type of burial to leaving letters to loved ones, it's a thorough, truly unique and fun way for anyone to plan their funeral.

What is my "Book"?

All your wishes will be documented in a virtual book, which can be viewed and edited at any time by logging into your account.

What are "Angels"?

Angels are people you select to be notified upon your death. They'll have access to your Book, and a summary of your wishes and will be responsible for carrying out those wishes.

How do Angels access my wishes when I die?

When you select your Angels, they will receive an accept/decline email. If they accept, they will be sent a link to your Book and be instructed to only access it upon your death. They will be sent a reminder email once each year. When you pass away, they can click on the link and view your wishes.

How private is MyWonderfulLife.com?

The information you enter on MyWonderfulLife.com is encrypted and cannot be accessed by outside parties. You and your Angels are the only people who can view your information. PLEASE NOTE: MyWonderfulLife.com will never sell or share your information with advertisers or third parties.

I already have a pre-need questionnaire, why would I need your site?

We have created an appealing brand that is very user friendly and people tell us they actually enjoy going through the process on our site! It also allows you to establish a relationship with potential customers *and* their angels more easily.

What if I want my customized MWL.com homepage to look like our company website?

For an additional fee, we can make the MWL page look like it is part of your website.

What if I don't know how to make a link from our site to yours on our homepage?

One of our technicians can take care of that for you for a small fee.
